I have recently discovered that there are three reasons that colored people do not keep Insurance.

Now which of these causes keep you out of our line? For your benefit I am naming these reasons: (first) The lack of money, second, the lack of confidence or time to consider, third, the lack of common sense.

Now, when one is found with money, confidence or time to reason, and common sense, you have found one with a paid up policy or one who is ready to line up with us. If you lack either of these qualifications, see us right away, office over Laurel Drug Store. The real home of Colored Insurance.

We meet you always with a smile.

to-day. An excursion brought many pleasure-seekers from Meridian and many of the local people attended. It must have been a success from a financial standpoint, I know it was from the standpoint of entertainment. The game The game was between the Bogalusa Tigers and the Meridian Giants. Both teams were in good condition, and they say that they played one of the best games that has been played on that diamond this season. The game consisted in mainly, a pitchers' duel between White of Meridian and Powe of Bogalusa. No sensational batting was done, only a half dozen balls going to out field during the whole game. White struck out more men by far, than Powe.
